

# FLOW-MER x LAKKARI ART

The movement, essence and stories of the Gwydir Selected Area

[Lakkari Pitt](#) is a proud Gamilaroi Yuwaalaraay woman from Walgett, New South Wales. Lakkari's art is a contemporary take on the knowledge that her Elders and significant people in her life have passed down throughout generations. Lakkari's work explores the movement, essence and stories of Country.

We use a range of ecological indicators to assess the health of the Gwydir Wetlands for the [Flow-MER Program](#). To help us explain our science, we engaged Lakkari to provide us with her cultural interpretation these indicators.

We love the art she created.
